Verse 2:

If you put two and two together,
 You will see what our friendship is for.
 If you can't work out the equation
 Then I guess I'll have to show you the door.
 There is no need to say you love me,
 It would be better left unsaid.

I'm giving you everything,
 All that joy can bring,
 This I swear.
 And all that I want from you
 Is a promise you will be there.
